

Charter Friendly Check

Use this free and easy to use tool following Rotherham Charter principles to help evaluate practice, approach and ethos quickly *and* gather direct feedback from users

Charter Promise

Evaluate your practice in more depth and focus on key areas for development using this interactive on-line tool

First Steps Optional

Positive and inspiring 2 day training programme enabling practitioner and user representatives to work in partnership and take their first steps together towards organisational change

Charter Gold Accreditation Packages

Flexible and high quality packages of support that make a genuine difference to school, setting and organisational improvement. Co-delivered using an appreciative enquiry approach, up to two years of support is delivered by your own trained team of practitioners parents/carers, young people, or other relevant users. Support is bespoke depending upon organisational need, usually including consultations, access to the on-line Charter Promise tool and toolkit, whole staff training, gathering feedback and action planning support and/or facilitation, written feedback, participation in a Charter Gold accreditation process, invitation to celebration event and opt-in re-accreditation cycle.
